The Honorable Gloria Molina
Supervisor, First District
856 Kenneth Hahn Hall of Administration
Los Angeles, CA 90012

GLORIA

Dear Supervisor Molina:

I am writing in support of the motion concerning county employees and their domestic partners which has been placed on the August 26 agenda by Supervisor Zev Yaroslavsky.

His proposal concerning the extension of certain employee benefits to domestic partners, as is now the case with married couples, is fair and positive. Implementing state legislation which allows the Board to enable these benefits is the right thing to do and a study done by the Los Angeles County Employees Retirement Association indicates a limited impact in terms of cost.

The Office of Assessor has had input and representation on the Los Angeles County Domestic Partnership Coalition, which supports Supervisor Yaroslavsky's motion, and I agree with that committee and the Supervisor that now is the time to take this action.

Sincerely,
